Three Ways of Inheriting Estates in China

Description

I have written quite a few posts back in regard of foreigners inheriting estates in China:

How a foreigner inherit properties in China

Inherit Personal Properties in China

China Estate Planning: how to Deal with Your China Assets Generally

There are quite a few more articles in that regard, pls use the blog search function to locate them.

None of those posts have depicted the general picture of how a foreigner going about inheritance of estates in China, or in other words, what are the options for foreigners in dealing with estates in China following demise of a family member.

Instead of writing another post, I have done a YouTube video on this topic, and you can watch it here:

By the way, don't forget to subscribe to this Channel. I will post more videos about China family and business laws.
